**TRAVELLER MEN'S  
PROGRAMME**

The Primary Health Care Project for Travellers  
is funded by the HSE and delivered by Longford

## **The Men's Project**

facilitates a number of Traveller men's groups in County Longford where men can meet to share their interests

**Tony Owens,** Traveller Men's Worker, supports Traveller men who want to share interests and learn new skills.

He provides links to social, health, accommodation and education services where needed.

If there are any issues you would like support with, or if you want to link with a group, join in with an activity, or just meet for a chat,

Current activities include:

- **Men's shed woodwork groups**
- **Sports groups**
- **Fishing groups**
- **Health and well-being programme**

All new ideas are appreciated.
