Longford's Friendly Phone Call

Background:

Longford Friendly Phone Call is a free service and aims to provide a service that informs older people on local activities and local services available.

Benefits:

- **Personal service** - friendly and confidential service from the comfort of your own home
- **Regular support** - calls will be made at regular time which you determine
- **Community contact** - information will be provide on local events of interest

How it works:

Senior adults who wish to avail of the service **will receive** a telephone call at a time determined by them on a regular weekly basis.

Ample time will be given for a chat, where useful information and if required ways of linking in the other local services can be explored, so that a greater support service can be put in place.

Information required:

- Consent from the interested person
- Completion of a short application form

Please note that all information provided will be confidential and kept safe and secure at all times.

Volunteers

Longford's Friendly Phone Call is a voluntarily staffed service.

All volunteers working on the service will have:

- Garda Vetting
- Relevant training
- Be provided with clear policies and procedures

If you need more information please contact Friendly Call Service or 043-3349678
