1. INTRODUCTION

Longford Community Resources Ltd (LCRL) is the Local Integrated Development Company for County Longford.

The core purpose of the company is to promote rural development and tackle social exclusion and LCRL does this through two key programmes: the Rural Development Programme and the Local and Community Development Programme. However, the company has bid for and secured other funds for development programmes that respond to needs identified in County Longford. The majority of LCRL's funds are sourced via Pobal (from various government departments and EU monies), i.e. Dept of Community, Equality & Gaeltacht Affairs, Dept of Education & Skills, Dept of Transport, Dept of Justice & Law Reform, Dormant Accounts, etc. Our work is conducted in partnership with other agencies and organisations, as in working together we can achieve far more than working individually.

The purpose of this request for tender (RFT) is to establish a panel of suppliers of which individuals/companies will be selected to participate in a mini-competition for contract award for the **Supply of general supplies as required** to its premises at Templemichael, Longford.
